TELAL ALQEMA BUILDING CONTRACTING

Telal Alqema Building Contracting

Delivering high-quality building maintenance, technical, and contracting services across the UAE — where quality meets reliability.

About Us

Telal Alqema Building Contracting was established in 2022 with a commitment to delivering reliable, cost-effective, and professional building maintenance and contracting solutions throughout the UAE. Our experienced team combines technical expertise, modern equipment, and industry best practices to ensure every project meets the highest standards of quality and safety.

Residential

Villas, apartments, and residential complexes

Commercial

Offices, retail outlets, and commercial buildings

Industrial

Schools, hospitals, banks, and facilities

Vision & Mission

Our Vision

To become one of the UAE's most trusted building maintenance and contracting companies by delivering exceptional service, innovative solutions, and sustainable practices that enhance the value and performance of our clients' properties.

Our Mission

To provide comprehensive maintenance and contracting solutions that exceed customer expectations through:

- Professional workmanship
- Advanced technology and equipment
- Competitive pricing
- Sustainable and eco-friendly practices
- Exceptional customer service

Our Core Values

Five principles guide every decision we make and every project we deliver.

Integrity

Honesty, transparency, and professionalism — trust is the foundation of every partnership.

People

Our employees are our greatest asset. We foster teamwork, innovation, and growth.

Leadership

We lead by example, maintaining the highest standards of service and accountability.

Innovation

We continuously explore new technologies and methods to deliver greater value.

Customer Focus

Every client is a long-term partner — we are committed to understanding and exceeding their needs.

Our Projects

MASAAR

Project Overview

Telal Engineering & Contracting partnered with Innovo Group to execute comprehensive electrical works for a corporate office development, delivering safe, reliable, and energy-efficient electrical systems in compliance with industry standards and project specifications.

Scope of Work

- * Electrical Power Distribution
- * Lighting Installation
- * Cable Tray & Conduit Installation
- * Wiring & Cabling
- * Panel Installation & Testing
- * Testing & Commissioning

Key Highlights

- * Delivered high-quality electrical installations in compliance with safety standards.
- * Ensured seamless coordination with civil, MEP, and architectural teams.
- * Completed all electrical works within the approved project timeline while maintaining quality and operational reliability.

Our Projects

LOUVRE RESIDENCES – ABU DHABI

Luxury Residential Development

Project Overview

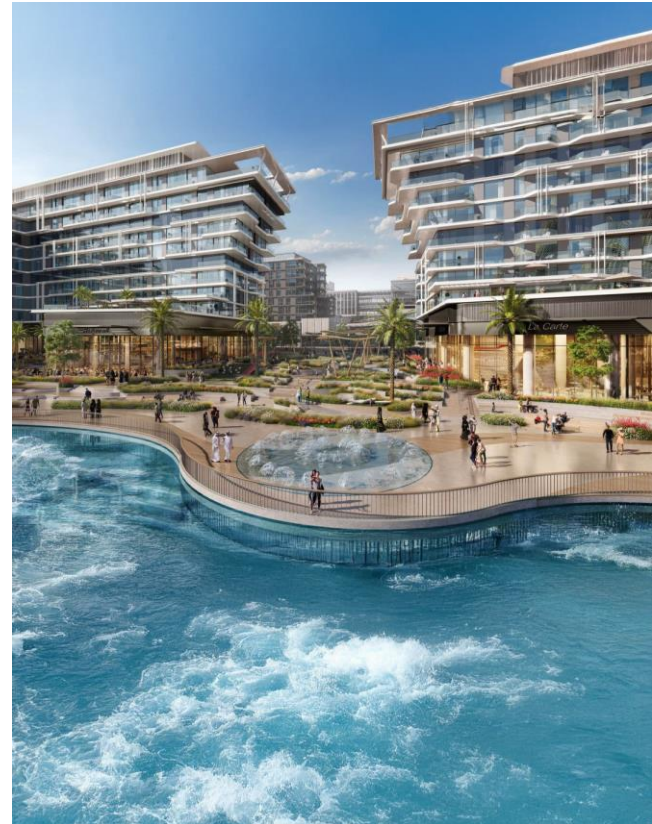

Telal Engineering & Contracting contributed to the successful execution of works for Louvre Residences, a premium branded residential development located on Saadiyat Island, Abu Dhabi. The project demanded exceptional quality standards and precise coordination to meet luxury residential specifications.

Scope of Work

- Civil & Structural Works
- Architectural Finishes
- MEP Installation
- Infrastructure Coordination
- Quality & Safety Management

Key Highlights

Executed works to premium construction standards.
Maintained strict quality control and HSE compliance.
Supported timely delivery through effective project coordination.

Our Projects

AQIL SAFI BAKER L.L.C.

Commercial Bakery Facility

Project Overview

Telal Engineering & Contracting provided comprehensive construction and engineering solutions for AQIL SAFI BAKER L.L.C., supporting the development of a modern commercial bakery facility designed for efficient food production and operational excellence.

Scope of Work

- General Civil Works
- Structural Construction
- MEP Coordination
- HVAC & Ventilation
- Architectural Finishes
- Project Management

Key Highlights

Delivered in compliance with UAE construction standards.
Focused on quality, safety, and timely project completion.
Coordinated multidisciplinary engineering activities for seamless execution.

Our Clients

We are proud to have partnered with leading organizations across the UAE, delivering reliable engineering and contracting solutions for commercial, residential, industrial, and infrastructure projects.

Our commitment to quality, safety, and timely execution has earned the trust of clients from diverse industries, helping us build long-lasting relationships through excellence in every project.
